To our friends
at NTS Physical Therapy,

On behalf of the friends, neighbors, and family of Marine Lance Corporal Joshua Misiewicz, thank you for honoring his sacrifice with your support.

Your attendance, letters, and generous donations have given hope and encouragement to Josh and his family. They face many challenges now, but they are "the Fighting M's" -- they are not about to give in, and they're not looking back. Your gift has allowed his family to focus on Josh's recovery for which they are grateful beyond words.

Hundreds welcomed Josh home for the holidays with a heart-warming show of support. With great pride we saw him walk home and acknowledge an overwhelming community connection.

Josh is an athlete and a competitor, a young man who sought and met the challenge of the Marine Corps to be "the best of the best." His spirit and bravery rise beyond the battlefield as in his recent race photo. His focus is on the future, and you are helping him achieve his goals.

Josh is a man of few words, but his simple message of gratitude to you in his recovery journey is one every soldier would confirm, "Thank you, it's good to have good people around you."

Semper Fi!

Sincerely,

Join Hands for Josh Team

Thank you!
