PROFILE

- Owner and operator of successful private physical therapy practice, delivering state-of-the-art total patient rehabilitative care, while growing company. Hired physical therapists, therapy assistants, and office staff to aid in successful operation of physical therapy clinic, massage therapy clinic, and medical supply retail store (with expertise in the DME industry).
 - A highly capable professional with extensive experience in multiple clinical settings, including directing rehabilitation services at multiple hospitals, supervising departmental facilities, including recruiting, hiring, and supervising hospital employees and contract personnel.
 - Established home health agencies and centers for clinical excellence. Developed accreditation standards for public health agencies and hospitals in the areas of rehabilitation delivery. Successfully taken unprofitable, dysfunctional departments and made them revenue positive by establishing efficiency criteria for staff and restructuring departmental procedures.
 - Extensive experience providing clinical internships to students attending all major Illinois universities offering programs in physical therapy and related fields.
 - Served on multiple advisory committees, such as the Illinois Dept. of Professional Regulations and the Joint Commission on the Accreditation of Healthcare Organizations (JCAHO), establishing survey criteria and standards of practice for the delivery of quality rehabilitation services. Served on the board of directors for multiple Illinois Medicare-certified home health agencies.
