*To everyone working in National Therapeutic Systems,*

*I would like to express my appreciation to all of the staff working for N.T.S.,  
at the short time I was there for my therapy I was treated so kindly that it  
made me feel like if I was part of the family.*

*I would recommend your services to all of my family and friends. Once  
again thank you very much and may God keep blessing each and everyone .*

*Sincerely,  
Priscilla
